Capgemini positioned as a Leader and Star Performer in the IT Outsourcing in Global Insurance – Service Provider Landscape with PEAK Matrix™ Assessment 2015 by Everest Group

Paris, December 7 2015 - [Capgemini](#), one of the world's foremost providers of consulting, technology and outsourcing services and IGATE, now part of Capgemini, today announced that it has been named a Leader and Star Performer in "IT Outsourcing in Insurance – Service Provider Landscape with PEAK Matrix™ Assessment 2015: Driving Differentiation through Digital." Capgemini and IGATE achieved this recognition in light of their combined market success and overall insurance AO delivery capabilities.

The report evaluated 30+ service providers with 500+ large multi-year insurance contracts dependent on parameters such as "scale, scope, technology solutions & innovation, delivery footprint, and buyer satisfaction." Out of all the service providers, Everest Group selects Star Performers based on their relative year-on-year movement on the PEAK Matrix™. Demonstrating a successful joint initiative by Capgemini and IGATE, the positioning as a Leader represents a major improvement from last year where both the organizations were identified as "Major Contenders."

John Mullen, VP and Global Head of Insurance for Capgemini's Financial Services Business Unit said: "We are delighted to be named as Star Performers and Leaders by the Everest Group. The combination of Capgemini and IGATE, under one global brand, provides a platform to extend the reach of our service portfolio, and strengthen the focus of delivery with our clients. Thanks to Everest Group for their research efforts and recognition, and to our clients for their trust in us as partners."

"Insurers are increasingly leveraging IT service providers to support the launch of differentiated products and services, enhance customer experience, and contain costs through innovative technology and engagement models," said Jimit Arora, Vice President, Everest Group. "Strong merger synergy, a robust portfolio of insurance clients and solutions, and deep expertise in implementation of prominent insurance products helped the combined Capgemini and IGATE entity move from Major Contenders to the Leaders category, and also achieve Star Performer designation on the 2015 Everest Group Insurance AO PEAK Matrix™."
