Capgemini Receives 2016 SAP® Pinnacle Award: Customers' Choice - Service

Paris — May 12, 2016 — [Capgemini](http://www.capgemini.com), one of the world's foremost providers of consulting, technology and outsourcing services, today announced that it has received a 2016 SAP® Pinnacle Award for Customers' Choice in the Service category, which recognize its contributions as an SAP partner. In addition, Capgemini was recognized as a finalist for multiple awards, including Customers' Choice in both the Sell and Build categories, and Service Quality Partner of the Year. SAP presents these awards annually to the top partners that have excelled in developing and growing their partnership with SAP and helping customers run better. Winners and finalists in 19 categories were chosen based on recommendations from the SAP field, customer feedback and performance indicators in the following umbrella categories: Build, Service and Sell, with each category including a Customers' Choice award, which recognizes a customer-nominated SAP partner.

Jerry Lacasia, Global SAP Partner Executive at Capgemini, said, *"Capgemini shares a longstanding, strong relationship with SAP, and we are particularly delighted to receive the Customers' Choice - Service Award, since it reflects direct feedback from our clients across many industries. We take immense pride in our ability to work collaboratively with our clients to support them through fast-moving market conditions, as well as help them achieve their transformation toward digital, including with SAP."*

Capgemini has been a recipient of a prestigious SAP® Pinnacle Award for nine years in a row, including the 2015 Services Transformation Partner of the Year and the 2014 SAP HANA Adoption Partner of the Year.

SAP® Pinnacle Award Customers' Choice – Service category – recognizes a partner for their commitment to deliver outstanding services that helped the mutual customer leverage latest SAP innovations and transform their business. Capgemini works collaboratively with customers to not only improve speed and efficiency enabled by the latest SAP technologies such as SAP HANA, but also to establish a future-proof platform, that will support the digital transformation to serve growth and innovation.

Kevin Ichhpurani, executive vice president of SAP Strategic Business Development & Global Ecosystem, added, “*The SAP Pinnacle Award winners represent the very best in our partner community, and we congratulate Capgemini for a well-deserved 2016 SAP Pinnacle Award.*”

Capgemini has more than 17,800 SAP professionals globally with over 1,300 clients worldwide. It has Delivery and Solution Design Centers devoted to work related to SAP software, which leverage its Intellectual Property solutions for the Cloud, Mobility, Analytics and the SAP HANA® platform, its OnePath pricing and licensing models and its preconfigured industry solutions.

SAP® Pinnacle Awards shine a spotlight on SAP's partners' remarkable contributions, acknowledging their dedication to teamwork, innovative approach and capacity to challenge what is possible to help customers achieve their goals. Award winners will be formally recognized at the SAP Global Partner Summit being held on May 16, in conjunction with SAPPHIRE® NOW, SAP's international customer conference being held in Orlando, Florida, May 17–19. Many of Capgemini's clients will present in sessions at the upcoming SAPPHIRE NOW Event.
